

## MAKE DREAMS COME TRUE WITH GIFT CARDS FROM SKANA SPA

**Oneida Nation Homelands (Dec. 10, 2012)** - While holiday gift cards abound during this season, there may be none better suited to making dreams come true than those from [Skaná Spa](#) at [Turning Stone Resort](#).

Gift cards, available in amounts from \$25 to \$1000, are beautifully packaged and include a “dream catcher.” In the Oneida tradition, a “dream catcher” is hung near the bedroom window to catch all dreams – good and bad. The bad dreams get caught in the webbing to be held there until morning light burns them off; the good dreams know their way to the opening in the center, and filter down to be held in the feathers to return another night to be dreamed again.

Skaná – which means “peace” in the Oneida language – combines modern treatments with the centuries-old healing and wellness principles of the Oneida Indians to create a spa experience that promotes inner peace and harmony. It has 12 treatment rooms, co-ed mineral pool, soaking tubs, steam room, sauna, a luxurious VIP suite with plush amenities including a couple's treatment room, boutique, full-service salon and the Spa Café.

Spas of America recently ranked Skaná Spa the No. 2 Casino Spa experience, No. 4 among New York spas and No. 81 globally among the Top 100 Spas of 2011. It also received 2012 SpaFinder® Wellness Readers' Choice Category Awards in categories of the Best Casino Hotel Spas, Best for Golf, and Best for Men (<http://www.spafinder.com/rca>).
