

Five for February: Specially Priced Wintergreen Resort Spa Services Perfect Pampering Cure for Winter's Chill

WINTERGREEN, Va. (Jan. 20, 2015) — [Wintergreen Resort](#) and its spa professionals are experts at softening winter's chilling sting that leaves skin dry and chapped. Throughout the month of February, [The Spa at Wintergreen](#) is offering five special tune-up services for the skin that are sure to hydrate, nourish and rejuvenate.

These four 50-minute treatments are priced at \$100/midweek and \$110/weekends:

- **Signature Facial with Complimentary Lip Treatment** will erase the appearance of winter dryness and treat lips with a naturally effective three-step treatment. Gentle fruit enzymes refine the lip area, an extra rich masque deeply hydrates, while a delicious minty non-petroleum balm will stimulate lip-plumping collagen. Receive the lip treatment as a complimentary upgrade (\$20 value).
- **Hot Chocolate Indulgence** is a rich cocoa sugar scrub that exfoliates the body and is followed by a warm cascading Vichy shower and full body application of chocolate essential oil – yum! The delicious treatment is completed with warm stones placed on the back.
- **Winter Rosemary Rejuvenation** begins with a dry brush buffing treatment to slough away dry winter skin followed by a warm rosemary oil application. After a chilly day on the slopes, this treatment will nourish and hydrate the body. Take the brush home to maintain that great glow.

- **Warm Stone Peppermint Facial** will sooth irritated sinus passages and increase blood circulation. This facial will help reduce that 'puffy' winter face and open up congested skin.

The fifth special, a relaxing two-hour service, is just \$105/midweek and \$115/weekends during the month of February:

- **Winter Warmth Manicure and Pedicure** is an indulgent nail treatment that gently exfoliates and renews the skin damaged from cold, dry weather. The luxurious paraffin treatment will renew nails, cuticle and spirit. A complimentary Woodsprite Winter Warmth candle is yours to take home.

The Spa at Wintergreen guests enjoy access to the Aquatic & Fitness Center with indoor Olympic pool, workout equipment and outdoor Jacuzzis with mountain views.
