JASON BRUSTAD JOINS OMNI LA COSTA RESORT & SPA AS DIRECTOR OF GOLF

CARLSBAD, Calif. (Jan. 14, 2016) – Omni La Costa Resort & Spa, California’s premier destination for mind, body and sport, has appointed Jason Brustad as the new director of golf. A Professional Golf Association (PGA) Class A Professional with over 15 years of experience in the industry, Brustad will oversee all aspects of the resort’s renowned golf programming and two signature courses. The award-winning resort boasts 36-holes of golf with two distinctive courses – the Champions Course and the Legends Course – and was recently recognized by *Golf Digest* as one of the top 10 destinations for family golf trips.

“Omni La Costa is an iconic golf venue with a rich legacy, and we are thrilled to have Jason Brustad on board to help us continue that tradition,” said Gary Sims, the managing director of Omni La Costa Resort & Spa. “His impressive background working with upscale golf resorts nationwide makes him a perfect fit for our team.”

Brustad most recently served as the director of golf and the head golf professional at the Montreux Golf and Country Club in Reno, Nevada. While there, he worked with the PGA Tour and Reno Tahoe Open organizers at the PGA Tour’s Barracuda Championship, hosted at the golf and country club.

Prior to working at the Montreux Golf and Country Club, Brustad was the first assistant professional / interim head golf professional at The Rim Club in Payson, Arizona.

Brustad has also worked with the Boyne USA Golf and Ski Resort in Petoskey, Michigan, the Nashawtuc Country Club in Concord, Massachusetts, and the Green Bay Country Club in Green Bay, Wisconsin.

Brustad will achieve PGA Master Professional status in 2016, becoming one of the youngest PGA Master Professionals in the country.

He earned a Bachelor of Science degree in Business at Ferris State University, where he held multiple leadership roles in the Professional Golf Management Program.
