THE TOWERS AT PACIFICA OFFERS “ULTIMATE GIRLFRIENDS ESCAPE”
Stylish package features deluxe perks and unique indulgences

Los Cabos, Mexico (Sept. 19, 2017) - The Towers at Pacifica—the deluxe “resort within a resort” that debuted last December on 2.5 miles of secluded beach at the southern tip of the Baja Peninsula—has put together the “Ultimate Girlfriends Escape,” an unforgettable getaway for ladies looking for a luxurious vacation.

Designed for four friends, this program features accommodations in the majestic Presidential Suite located on the top floor of The Towers. This 3,233-square-foot suite features indoor/outdoor living space, two king bedrooms with their own bathrooms, and private terraces equipped with a fire pit, Jacuzzi, and outdoor shower. The lavish suite also has a fully equipped kitchen and a spacious living/dining room that opens onto a grand terrace boasting magnificent ocean views.

Along with sumptuous accommodations and an all-inclusive food and beverage program, the “Escape” comes with 24-hour, world-class butler service. These “artists of service” can create customized experiences and adventures for guests limited only by their imaginations.

Other components of the “Ultimate Girlfriends Escape” include:

- Shaded beach beds with eight hours of personalized butler service
- Private yoga instruction on the beach
- Cooking class with the Hotel Chef
- Nightly mixology session (with tapas)
- Wine pairings dinner at Peninsula, The Towers at Pacifica's hot new restaurant featuring regional Baja cuisine
- Optional spa services at a 25% discount (either at the Armonia Spa or in-suite)

The "Ultimate Girlfriends Escape" package price starts at \$605 per person, per night, based on quad occupancy. For a four-night stay for four guests, the total cost is from \$9,680, or \$2,420 per person.
